

Male? Over 50? Smoker?

You may be at risk for a silent, but deadly aneurysm. Martin Memorial is now offering an Abdominal Aortic Aneurysm (AAA) Ultrasound exam. Three out of four aneurysms show no symptoms at the time they are diagnosed. Early detection is critical. You may be at risk if you have:

- Family history of AAA
- Smoking history
- Adult male over 55
- Vascular disease

Saturday, March 25 from 8 a.m. to 12 noon

Martin Memorial Diagnostic Center
1095 N.W. St. Lucie West Blvd., Port St. Lucie

Call now to make your appointment:

(772) 288-5817 (Martin County) (772) 785-5566 (St. Lucie County)
